### **Our Mission**

The Pacifica Islanders are a Minor League Football Team based in Pacifica, California. We are a registered 501(c) (3) non-profit corporation (EIN 33-1201394). The team practices and plays its home games in Pacifica at Terra Nova High School. The Islanders compete against minor league teams from California and across the United States.

The Mission of the Islander organization is to provide support to the youth in the Pacifica community and to bring high quality football entertainment to the fans in Pacifica and throughout the San Francisco Bay Area.

In 2008 the Islanders were able to donate both financially and through volunteering countless hours to Terra Nova High School sports programs. We were also able to sponsor a girls youth softball team in the Pacifica Girls Softball League.

In 2009 the Pacifica Islanders are continuing their commitment to raising both funds and awareness for our local athletes, sports teams and leagues in the hope of providing alternatives to street life for our youth and to provide them with the activities and guidance they need to stay away from increasing peer pressure, drugs and gangs.

The Islanders provide adult athletes the opportunity to continue to play organized Football. The Islanders owners, coaches and players provide solid role models for the young athletes throughout the Pacifica Community.

The Islander organization will be committed to the youth programs in the community for years to come. The ownership cannot do this alone. We are asking your help by way of donations and sponsorships. Please help sustain this positive program that the Islanders have developed. Help us continue to support sports in this community. Together with our local businesses we can build a better future for the children.

Thank you.
